Campground Guidelines

FIRST AID

In case of emergency, call 911, then call ALERT personnel by dialing 903-636-2000.

CAMPUS

Please observe traffic signs and be aware of children crossing the streets. Because this is a training facility, there may be some areas that are off limits during your time here. Some of our recreational facilities may be open for public use during your stay, please check with the host for availability.

AIR STRIP

Stop at the stop sign and look for approaching aircraft. The runway is active, so please use caution when crossing. Walking or riding bikes on the runway is prohibited at all times.

CHILDREN

Be aware of the location of your children at all times, regardless of age. There is a substantial amount of traffic on campus, and large vans have limited visibility.

QUIET HOURS

Quiet Hours are from 10 PM to 6 AM. Please turn off all music and/or generators at 10 PM.

CAMP FIRES

Wood may be gathered off the campsite or purchased from the Camp Office. Do not cut down any trees. The chosen campfire area should be cleared down to sand or bare ground in a circle approximately five feet in diameter. Do not leave fires unattended. Extinguish fires before leaving your campsite or retiring for the evening. Respect all burn bans posted by the Camp Office. In case of emergency, contact Campus Safety at ext. 2222 or the Camp Office at ext. 2101.

ROPES AND LINES

Ropes and lines anchored to trees must be tied 80 inches or higher and confined to your campsite. All vehicles, trailers and personal property must be stored within your site, not to impede onto camp roads.

WASHERS AND DRYERS

There are no washers or dryers available on campus for our campers. The closest laundromat is located in Big Sandy, across the street from Dollar General (611 W. Broadway).

DUMP STATION

The Dump Station is located on the north side of the Campground on Smug Oak Lane. Potable water is also available at this location.

DEPARTURE

Logs and rocks should be cleared from site, holes filled, wood stacked against a tree and all trash taken to the dumpster. Please leave the camp area better than you found it.
