Issued after the completion of Basic Training
- 1 ALERT Polo Shirt**
Issued after the completion of Basic Training

Gear

- 1 Duffel Bag**
Holds all issued gear and allows ease of packing on deployments.
- 1 Locking Carabineer**
Issued to ensure proper safety specifications are met. This carabineer is used for various rope systems and high angle environments.
- 1" Tubular Webbing (20-ft length)**
Issued to prevent coming with wrong style of webbing. Webbing is used as a harness for rappelling and other rope systems.
- 2 One-quart Nalgens (Water Bottles)**
Issued for uniformity in size and durability which is necessary for certain activities. Used for proper hydration during hikes, PT and other daily activities.
- 1 Hydration System**
Ensures that everyone has a proper hydration system while hiking. If you already own one, a backup is always good to have.
- 1 Silva "Polaris" Map Compass**
Used for navigation, during both class and field exercises.
- 1 "Light My Fire" Scout**
Issued for uniformity during survival training. It is required that you purchase a second reliable method for starting fires (see Required Items).
- Grid Reader**
Used for navigation, during both class and field exercises.
- 2 Twin Sheet Sets**
Issued for uniformity in squad room.
- 2 Towel Sets**
Includes hand towels and washcloths.
- Shoe Polish and Cloth**
- Clothes Hangers**
